Clean Up Day: The money we requested for the Town cleanup day was slashed, but the Town has offered to supply a 40 yd dumpster to help out. We hope to recruit volunteer help. The date has yet to be determined.

Rest Area: The abutter on the west side of the Rest Area was surprised to find out that he has 1.5 less acres than he thought. RCC members will attend the next Selectmen's meeting to figure out a compromise.

Update: Selectmen's meeting Feb 20, 5 members attended the meeting to start a conversation with the Town to decide how to solve the boundary dispute between the rest area property and the abutter on the west side. The parcel has been appraised at \$4500.00.

Janice will write up a sample conservation easement and a sample deed restriction to be discussed at our March meeting.

Files: Members spent the remainder of the meeting cleaning out our file drawers, and taking a trip down memory lane, we are about half done with hopes to finish at the next meeting.

Meeting adjourned 8:30 PM

Next meeting March 13, 2024

Respectfully submitted.
