

Rumney Fire Commissioners  
Meeting Minutes  
June 21, 2021

Commissioners present: Terry French and Jim McCart  
Fire Chief: David Coursey  
Secretary: Diana Kindell  
Guest: Cathy Hacker

Acting Chairman Terry French opened the meeting at 6:05 pm.

Pending bills were signed for approval and the minutes of May 10, 2021 were approved as written.

W. Rumney station: The Chief is looking for numbers to do some major repairs to that station but has not received any at this time. The heating cost for last winter were around \$1300 +/- . The fire foam stored there in 5-gallon buckets was a concern brought up at the recent Safety meeting. NH DES, Amy Doherty who is in charge of the take back program, was contacted regarding the status of that program. The state had to hold off on their take back but will try and proceed within the next year. The foam is safe in storage – only problem would be if someone ingested some. There is no risk to dermatitis should someone come in contact with it. She requested we store it until the program is reinstated. The only way to dispose of it is through incineration and that is a very expensive.

At 6:25 pm Jim made a motion to enter non-public session, seconded by Terry and agreed to per RSA 91-A:3,II (b). At 6:50 pm Terry made a motion to leave non-public session, seconded by Jim and agreed to. Discussion was held and a decision was made. Terry made a motion to seal the minutes permanently, seconded by Jim and agreed to.

The meeting adjourned at 6:50 pm.

Respectfully submitted,

Diana Kindell  
Secretary
