Commissioners Cam Brown, Terry French

Fire Chief Evan Hacker

Guest Mike Brandli

Meeting opened 6:00

Update from Chief hacker on truck committee . Waiting for spec sheet on truck from Midwest. They have been very slow in getting out the spec sheet to the committee.

Chief hacker provided an update on the air compressor , Nick Coursey will pick up the new compressor in Franklin and Chief hacker will try to line up an electrician for installation.

Cam Brown asked for an update on the job description for the Fire Department secretary. Chief Hacker said he had not received any update on that.

Chief hacker stated that the hydrant work was complete for this year. He would like to focus on the 118 hydrant in the spring.

Cam Brown asked about any new gear and equipment needed. Chief Hacker said one member has been fitted for new gear. Chief Hacker said he would be getting more particulate blocking hoods and wanted to get more gloves. There is also a need for a new Halligan tool .

Chief hacker said he is working on finding grants for Radios and the exhaust system for the truck exhaust in the station.
