

RUMNEY FIRE COMMISSIONERS
MEETING MINUTES
MAY 14, 2018

Commissioners Present: Cam Brown, Terry French and Tim Lewis
Fire Chief: David Coursey
Secretary: Diana Kindell

Chairman Cam Brown opened the meeting at 7:04 pm.

The minutes of April 11, 2018 were approved as written. Bills were signed for approval.

Chimney: Cam questioned the status of the chimney and the Chief stated that Nate Myles will take it down and build the new one.

Hydrants: The Chief reported that Bruce Barnard and his son have looked over the areas involved, but are still waiting for state approval. We will need a letter of permission from Huckabys to access the water hole.

Lighting quotes: The Commissioners were okay with the quotes from T. Sabourn but we will need to get additional quotes.

Furnace: The facilities committee has been asked to look in to the various options to replace the current furnace.

EMS: Cam questioned if any progress had been made toward improving that department and eventually merging with fire. The Commissioners would like a monthly written report from the EMS Director to the Chief including the following:

- Number of calls made and who responded
- Equipment operation and efficiency
- Any issues whether personnel or equipment
- NO patient information is to be included

Packs: Prior to ordering the new packs a review will be done on the information on the packs and possibly bring the salesmen back in.

Training: There is a house at the lake being demolished. The owner is willing to have the department do some training within prior to it coming down.

Misc: The Chief invited the Commissioners to a dinner being prepared by the 4-H Club prior to training. He further stated he would like to put on an appreciation dinner in the near future to acknowledge training completed by a couple of the members.

The meeting adjourned at 8:40 pm.

Respectfully submitted
