

TOWN OF RUMNEY
PLANNING BOARD MEETING
MINUTES
May 26, 2020

The Rumney Planning Board held an informal Zoom meeting on May 26, 2020 at 7:00pm. In attendance was Brad Eaton, Bryan Flynn, Armand Girouard, George Bonfiglio, Sarah Rubury and Judi Hall.

George Bonfiglio and Sarah Rubury are both interested in being alternates. When we meet as a board again we will need to vote on accepting them as alternates as well as voting on officers for the remainder of the 2020-2021 term.

There was a general discussion about upcoming issues for the Planning Board. Our next major focus will be on developing a questionnaire with Tara Bamford to gauge how the town feels about zoning issues.

Sarah asked about the role of an alternate. Brad explained that an alternate may participate in discussions during meetings but does not vote unless they have been appointed to fill in for an absent member. If an alternate is appointed and participates in the acceptance of an application they then will follow that item to completion.

There was a brief discussion about whether Oikles and the former BackWoods Farm property are campgrounds. We will look into this.

The meeting was adjourned at 7:40 pm.

Respectfully submitted
